

## CONFIRMATION ON SENDING COMMERCIAL ELECTRONIC MESSAGES

LA CONFEDERAZIONE DEGLI IMPRENDITORI ITALIANI NEL MONDO ("C.I.I.M.") within the scope of the Law No. 6563 on the Regulation of Electronic Commerce, the Regulation on Commercial Communication and Commercial Electronic Messages and other legislation, we want to inform our valued users about commercial electronic messages and to provide you with a better service by obtaining your commercial electronic message approval.

### 1. Information

Commercial electronic messaging: telephone, call centers, fax, automatic dialing machines, intelligent voice recorder systems, electronic mail, short message service and data, audio and video messages that are carried out electronically and sent for commercial purposes. Commercial electronic messages can only be sent to recipients with their prior consent. This approval can be obtained in writing or by any means of electronic communication or through the Message Management System ("İYS"). Recipients may refuse to receive commercial electronic messages at any time without giving any justification. In this context, even if you give your consent to the sending of commercial electronic messages, you can always refuse to receive commercial electronic messages at any time without specifying any reason by entering the link in the shipment and through the İYS.

### 2. Confirmation

I accept and declare that I have been informed in a clear and understandable way that my contact addresses are processed in order to benefit from the appropriate service, application, advantage or campaign, to provide general information, for promotion, advertising, promotion, marketing purposes and to provide all kinds of communication with me and to provide all kinds of communication with me in this direction for being a member of the C.I.I.M., regarding the sending of information, promotional and marketing messages with data, audio and visual content to be transmitted by C.I.I.M or on behalf of the company providing services under the obligation of confidentiality, via call, short message (SMS), fax, automatic dialing machines, e-mail and similar communication channels.

I **consent** to the sending of commercial electronic messages with advertising, campaigns, promotional wishes and introductory content.
